ORDERING INFORMATION

Order by the number of sleeves

Tip: Fold waterproof paper in half to get a better grip. Our anti-slip backing will keep the sheet folded in place.

SUNGOLD® PREMIUM PLUS SHEETS

- Made from the same material as our Premium Plus DA discs
- Zinc stearated coating reduces clogging and loading of paper for extended sheet life
- C weight paper is durable, yet special additives in backing provide a highly flexible product and excellent grain adhesion
- Full resin on resin bond
- Premium P-graded Aluminum Oxide grain provides long life and a fast cut rate
- Fold ability makes this excellent for hand sanding
- Fast cut rate and long life make this excellent for mechanical sanding

HOLDERS — FOR TYPE R – QUICK CHANGE DISCS

NEW! A Great Quality Holder – At A Great Price

- Glass-filled nylon. Extremely durable. 200% stronger than regular nylon.
- Well balanced.
- Steel shaft molded into the pad.
- Economically priced but does not skimp on quality.
- 2" rated for 25,000 RPM.
3" rated for 20,000 RPM.

Sungold® Premium Holder — New design enhances air flow and improves disc life.

- High quality synthetic polymer provides medium-firm support for discs.
- Well balanced.
- Ridges built into the pad — discs runs cooler, extending the disc life.
- Separate shaft and holder allows for quick change from 2" to 3" holder.
- Part numbers shown are for one complete set. Set includes one shaft and one rubber pad.

Description	Part Number	Minimum	Case Quantity
2" Pad with shaft	99072	1	10

SUNGOLD®
ABRASIVES USA, INC.

SUNGOLD® PREMIUM BLUE ZIRCONIA TRIM DISC

- Premium Blue Zirconia grain
- Excellent for use on door jambs or drip rails where regular resin fiber discs are too big. For even tighter spaces, the disc can be trimmed down to even smaller diameters.
- When using the outer edge of fiber discs, once the outer edge is worn, the disc is normally discarded. Sungold trim discs can easily be trimmed down to a smaller diameter to create a clean outer edge.
- No back-up pad needed.
- Can be used for all your grinding needs or use just in places that you cannot reach with the larger fiber discs.
- The discs are quickly attached and detached from the mandrel without removing the mandrel from the tool. Included in each box is a 1/4" mandrel, that fits most popular die grinders and drills.
- Most right angle die grinders require a 5/8-11 threaded mandrel. Mandrels for 5/8-11 tools are shown on this page and are sold separately.

1/4" Mandrel

Tip: To trim down the discs, while the disc is turning at operating speeds on the power tool, touch the edge of the disc to a piece of steel. This will melt the specially designed backing and reduce the diameter of the disc. Be sure the operator and any bystanders are wearing proper eye, face and body protection.

ORDERING INFORMATION

Order by the number of boxes

Size	Grit	Part Number	Print Color	Discs Per Box	Boxes Per Case

MANDREL FOR RIGHT ANGLE DIE GRINDERS

- Fits both Sungold Blue Zirconia Trim Discs and Sungold Surface Conditioning Trim Discs.
- Contains 5/8-11 female thread to fit most right angle grinders.
- Only needed for 5/8-11 tools. For tools that require 1/4" shaft mandrel, that mandrel is included in each box of discs.

SUNGOLD ECLIPSE® CUT-OFF WHEELS

**COMING IN JANUARY 2011 —
Arbors for cut-off wheels.**

- Special close-weave fiberglass web provides a clean cut
- Blend of premium quality grains, including Zirconia, provides fast cutting action
- Specially formulated resin provides up to 60% more life than aluminum oxide cut-off wheels and up to 30% more life than other premium cut-off wheels

ORDERING INFORMATION

Order by the number of packages

1/32" WHEEL

- Thinnest blade, provides faster and cooler cut
- Thinner cut requires less welding

1/16" WHEEL

- Excellent for cutting bolts and rods
- Exceptional life

3/16" WHEEL

- Excellent for spot welds
- Longest lasting blade
- Thicker wheel provides improved control when moving side to side

Dia x Thickness x Center Hole	Part Number	Wheels Per Pack	Packs Per Case	Max RPM
3" x 1/32" x 3/8"	99086	5	10	26,000
3" x 1/16" x 3/8"	99087	5	10	26,000
3" x 3/16" x 3/8"	99092	5	10	26,000

CAUTION: Make sure that guard is properly mounted on tool before using cut-off wheels. Always wear proper face, hand, body and eye protection when using power tools. Always wear proper dust protection for material being sanded.

SUNGOLD® SURFACE PREP TRIM DISC

- Applications include removal of paint, primer, putty, light rust or oxidation.
- Excellent for blending welds.
- Will not grind through base metal.
- Rigid back provides more support than typical Type R surface conditioning disc resulting in quicker stock removal and better control for a more consistent finish.
- Runs cooler than typical Type R surface conditioning disc, resulting in longer life.
- No back-up pad needed. No worry about worn out or fraying back-up pads.
- The discs are quickly attached and detached from the mandrel without removing the mandrel from the tool. Included in each box is a 1/4" mandrel, that fits most popular die grinders and drills.
- Most right angle die grinders require a 5/8-11 threaded mandrel. Mandrels for 5/8-11 tools are shown on page 16 and are sold separately.
- For ease of use, these discs use the same mandrel as the Sungold® Blue Zirconia Trim Discs.

Tip: You can mount backwards to get at hard to reach areas such as the back of fenders.

NEW! SUNGOLD® INDUSTRIAL AND MARINE PRODUCTS

SUNGOLD® LIQUID LIGHT CUT & POLISH

- Chemically dissolves oxidation and removes medium to light surface imperfections from paint and fiberglass.
- To remove 1200 grit scratches.
- Body Shop Safe. Contains no wax or silicone. VOC Compliant.
- **Water based compound.**

Size	Part Number	Case Quantity
Quart	65254	12
Gallon	65257	4

65254

SUNGOLD® LIQUID ABRASIVE HEAVY DUTY INDUSTRIAL & MARINE COMPOUND

- A high performance heavy duty **water based compound**, formulated with advanced technology that removes deep scratches while imparting a high gloss finish.
- Used to remove 800 to 1000 grit scratches from newly painted or cured parts.
- Body Shop Safe. Contains no wax or silicone. VOC Compliant.
- To remove heavy oxidation on fiberglass gel coats.

Size	Part Number	Case Quantity
Quart	65244	12
Gallon	65247	4

65247

APPLICATION INFORMATION FOR LIGHT & HEAVY

Apply with Sungold® Blended Wool Pad #98895 (See page 23 for more product detail on pads).

SUNGOLD® EXS™ MARINE SEALANT

- Extended Life Sealant.
- An advanced Gel Coat Sealant that forms a polymer barrier between the gel coat finish and the elements, after a 24 hour cure.
- Leaves an outstanding, long lasting shine, resistant to boat washes and environmental pollution.
- VOC Compliant.
- Contains UV protection.

Size	Part Number	Case Quantity
Pint	65262	12

APPLICATION INFORMATION

Apply by hand using a polish sponge OR apply by Machine using Sungold Yellow Foam Pad # 98896.

NEW! SUNGOLD® AUTOMOTIVE PRODUCTS

SUN PREP™

- Contains water compatible abrasives. Used to prepare the panel before blending or to abrade the surface before painting to improve adhesion.
- Removes waxes, road film and dirt before painting.
- Use on hard to sand areas such as door jams, around locks and under seals.
- Provides excellent adhesion on urethane bumpers.
- When finished, rinse completely clean with water.
- Reduces static on rubber bumpers, when prepping new bumpers.
- Body Shop Safe. Contains no wax or silicone. VOC Compliant.

Size	Part Number	Case Quantity
Quart	64924	12
Tub	64925	6

Tip: Specially designed for new bumper preparation, when using water based paints.

APPLICATION INFORMATION

Apply with Sungold® Hand Pad #59964 or can be applied with a sponge or towel for less aggressive pre-paint preparation, leaving 800 grit equivalent finish.

SUN DETAIL™

- This exclusive "Wet Look" formula will remove minor swirls & surface imperfections on all automotive surfaces without streaking.
- Advanced polymer formula contains no wax or free silicones.
- Body Shop safe even on fresh paint.

Size	Part Number	Case Quantity
Quart	64973	12

APPLICATION INFORMATION

Spray directly onto car. Remove with a micro fiber cloth.

NEW! SUNGOLD® AUTOMOBILE FINISH AND APPEARANCE PRODUCTS

SUN FINISH™

- **Water based polishing compound** that can be used as a one step product for removing 1500 grit scratches without having to use a polish afterwards.
- Unique combination of chemical cut and fractionable abrasives.
- Can be used on clear coat and conventional finishes.
- Specially designed water based formula will not stick to moldings or rubber gaskets.
- Easily cleans up with water.
- Body Shop Safe. Contains no wax or silicone. VOC Compliant.
- Can be used as 1 step by itself or 2 step, either preceded by Sun Buff or followed by Sun Polish.

Size	Part Number	Case Quantity
Quart	64954	12

APPLICATION INFORMATION

Apply with Sungold® Blended Wool Pad #98895 OR Foam Pad #98892 (See page 23 for more product detail on pads).

ECLIPSE® PREMIUM HEAVY DUTY COMPOUND

- A high performance fast cutting **water based compound** recommended for removal of scratches as deep as 800 to 1000 grit.
- Easy clean up with water, will not stain the finish or stick to rubber.
- Body Shop Safe.
- Contains no wax or silicone.
- VOC compliant.

Size	Part Number	Case Quantity
Quart	65144	12
Gallon	65147	4

APPLICATION INFORMATION

Apply with Sungold Blended Wool Pad # 98895 (See page 23 for more product detail on pads).

SUN BUFF™

- A quick cutting abrasive, **water based polishing compound**.
- Easily removes 1200 grit scratches, as well as oxidation.
- Will not stick to moldings or rubber, and easily cleans up with water.
- Body Shop Safe. Contains no wax or silicone. VOC Compliant.
- Can be used by itself, or as part of 2 step or 3 step process, followed by either Sun Finish, or Sun Finish and then Sun Polish, depending on paint type and condition of vehicle.

Size	Part Number	Case Quantity
Quart	64944	12

APPLICATION INFORMATION

Apply with Sungold® Blended Wool Pad #98895

SUN EVOLUTION™

- An advanced Paint Sealant that forms a polymer barrier between the car finish and the elements, after a 24 hour cure.
- Leaves an outstanding, long lasting shine, resistant to car washes, road grime and environmental pollution.
- NOTE: Not for use on fresh paint. Allow 30 days after painting before using.
- VOC Compliant.
- Contains waxes and UV protection.

Size	Part Number	Case Quantity
Pint	64982	12

APPLICATION INFORMATION

Apply by hand using a polish sponge OR apply by machine using Sungold Yellow Foam Pad # 98896.

SUN POLISH™

- A high gloss "Wet Look" exclusive polymer blend polish that is easy to use.
- Works excellently for removing swirl marks and light oxidation.
- Detergent resistant. Safe to use on fresh paint.
- VOC Compliant.
- Can be used after painting as part of a two step process, after using Sun Finish.
- Can be used by itself for minor scratches and a long lasting shine.

Size	Part Number	Case Quantity
Pint	64962	12

APPLICATION INFORMATION

Apply with Sungold® Yellow Foam pad #98896 at a speed of 1100 to 1300 RPM.

NEW! SUNGOLD® AUTOMOBILE FINISH AND APPEARANCE PRODUCTS

ECLIPSE® CUTTING CREAM

- A very aggressive **water based compound** designed to remove scratches as coarse as 1000 grit from new & aged paint.
- Buffs to a high shine with no waxes or silicones.
- Water based formula will not stain and cleans up easily with water even on rubber surfaces.
- Body Shop Safe. Contains no wax or silicone.
- VOC Compliant.
- Can be used as 1 step by itself or 2 step, followed by Eclipse Polish.

65154

65155

65157

APPLICATION INFORMATION

Apply with Sungold® Wool Pad #98895 (at a speed of 1800-2400 RPM) or Sungold® Purple Foam Pad #98892 (at a speed of 1100-1300 RPM).
(See page 23 for more product detail on pads).

Size	Part Number	Case Quantity
Quart	65154	12
Tub	65155	6
Gallon	65157	4

ECLIPSE® POLISH

- A cleaner-polish that removes minor scratches, swirl marks and oxidation.
- Designed to be a final step when using Sungold® Eclipse® Cutting Cream, or Sun Finish.
- VOC Compliant.
- Body Shop Safe. Contains no wax or silicone.
- When used according to directions, will produce a high gloss, swirl free finish, that won't wash away.

Size	Part Number	Case Quantity
Quart	65164	12

APPLICATION INFORMATION

Apply with Sungold Yellow Foam pad #98896 at a speed of 1100 to 1300 RPM.
(See page 23 for more product detail on pads).

ECLIPSE® QUICK WAX

- Easily applied liquefied wax formula made with premium resins that creates a long lasting, deep gloss.
- VOC Compliant.
- Breathable. Can be used on fresh paint.

Size	Part Number	Case Quantity
Quart	65194	12

APPLICATION INFORMATION

Apply by hand using a wax pad.

ECLIPSE® SWIRL REMOVER

- Used as a glazing step to remove minor buffing swirls, micro-surface imperfections and oxidation.
- Leaves a durable swirl free mirror finish.
- Body shop safe.
- Breathable. Can be used on fresh paint.
- VOC Compliant.

Size	Part Number	Case Quantity
Quart	65174	12

APPLICATION INFORMATION

Apply with Sungold® Yellow Foam pad #98896 at a speed of 1100 to 1300 RPM.
(See page 23 for more product detail on pads).

GRAPE EXPECTATIONS™

- A breathable, easy-to-use Hand Glaze that can be used on freshly painted and old finishes.
- Gives the surface a mirror like showroom finish, with no oily smearing or streaking.
- Body Shop Safe. Contains no wax or silicone.
- VOC Compliant.

Size	Part Number	Case Quantity
Quart	65114	12

APPLICATION INFORMATION

Apply by hand using a terry cloth towel, wax applicator or micro fiber cloth or with Sungold Yellow Foam pad #98896 on a very low RPM.

SUNGOLD® PADS FOR COMPOUNDS & POLISHES

Important Notice to Purchaser

Terms and Conditions of Sale; Product Selection Your placement with Sungold Abrasives of an order for products constitutes your acceptance of Sungold's offer of sale and your agreement to these terms and conditions of sale. These terms and conditions shall be governed by the laws of New York (without reference to choice of law principles) and may not be changed except by Sungold's express written agreement. Notwithstanding any oral or written information, opinions, catalog descriptions or advice furnished by Sungold or its employees at any time, you, the Buyer, have sole responsibility to evaluate and test Sungold's products so you can select those that are suitable for use in your specific applications.

Limited Warranty and Remedy If products shipped do not conform to your specifications, or if, after use by you, the original Buyer, the products prove to be defective, Sungold will, as the **exclusive remedy**, at Sungold's option, either replace the non-conforming or defective products or issue a credit at their net invoice price. This limited warranty **shall not apply** if (a) we do not receive written notice of the non-conformity or defect from you within **15 days** after you receive the products, (b) you do not return the non-conforming or defective products to us in their original packaging within **20 days** after you receive the products or (c) the products are custom-made for you or are other special products. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED AND STATUTORY, INCLUDING (WITHOUT LIMITATION) THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ANY WARRANTIES ARISING OUT OF COURSE OF DEALING, CUSTOM OR USAGE OF TRADE.

Limitation of Liability; Release Except to the extent of the Limited Warranty and Remedy above, Sungold is not and shall not be liable to you for any claims, liabilities or damages of any kind whatsoever (including without limitation direct, indirect, compensatory, special, consequential, incidental or punitive damages) arising out of Sungold's provision of products to you. *By purchasing products from Sungold, you expressly release Sungold from all such claims, liabilities and damages.*

Errors; Photo & Color Disclaimer Sungold reserves the right to correct any clerical or typographical errors in this Catalog at any time. Product photographs and color shown herein are rendered as accurately as printing processes permit. While we have made every attempt to accurately portray each product, Sungold disclaims any liability for variations in photographic accuracy or color as compared to the actual product.
