

PERFORMANCE MATTERS. SUNGOLD® DELIVERS.

Sungold® manufactures a complete line of sanding products for all types of applications. If you do not see what you are looking for, please contact Sungold at info@sungoldabrasives.com or call 1-800-726-3004.

This catalog contains the various sanding items that were carried by Woodworker's Warehouse. Both Sungold's part number and Woodworker's part number are shown. We have also expanded the items beyond what Woodworker's carried to include items that are frequently requested. If you do not see what you need, please contact us at info@sungoldabrasives.com. When looking at the PDF in Acrobat, hit Ctl-F to search for a particular part number.

SUNGOLD® BACK-UP PADS FOR PSA (STICK-ON) DISCS

- Vinyl face provides excellent adhesion with quick and easy disc removal
- Lightweight pads reduce fatigue

APPLICATIONS

Type A

- Thicker, medium pad. Softer on the edges for use on contoured or concave surfaces
- Can be used for full grit range. Best suited for 150 and finer
- 5/16-24 bolt for attachment to most popular tools
- For use on all dual action and random orbital tools, both air and electric

Type A

Type B

- Low profile pad. Firmer. Best suited for flat surfaces
- Can be used for full grit range. Best suited for 120 and coarser
- 5/16-24 bolt for attachment to most popular tools
- For use on all dual action and random orbital tools, both air and electric

Type B

Type C

- Step on edge of pad. More flexible than Type A pads
- Use this pad when you want additional flexibility on the edges compared to Type A pads
- 5/16-24 bolt for attachment to most popular tools
- For use on all dual action and random orbital tools, both air and electric

Type C

Type D

- Firm sanding pad made from molded urethane
- 5/8-11 female thread - for use on all standard right angle sanders

Type D

Type E

- Medium sanding pad – multi purpose – for flat or curved surfaces
- 5/8x11 female thread - for use on all standard right angle sanders

Type E

SUNGOLD® BACK-UP PADS

FOR PSA (STICK-ON) DISCS

- Vinyl face provides excellent adhesion with quick and easy disc removal
- Lightweight pads reduce fatigue

APPLICATIONS

For use with discs shown on pages 4 through 8

ORDERING INFORMATION

Order by the number of pads

Dia x Nbr of Vac Holes	Type	Part Number	Price Per Pad

SUNGOLD® BELTS

For edge, backstand and stationary sanders

ALUMINUM OXIDE – POLYESTER/COTTON CLOTH

- Medium open coat is excellent for softwood, hardwood, plastic and metal
- Taped butt joint allows belt to be run in either direction for quicker belt changes
- Full resin on resin bond offers extended belt life
- P-graded Premium Aluminum Oxide grain creates fast cutting action

X weight: Heavy duty, tear resistant 65/35 polyester/cotton cloth backing

J weight: Flexible, tear resistant 65/35 polyester/cotton cloth backing provides flexibility for sanding contours

APPLICATIONS

Excellent for all types of materials including wood, metal, plastic and others

SUNGOLD® PAPER SHEETS

SILICON CARBIDE NON-LOADING

- Zinc stearated coating reduces clogging and loading of paper for extended sheet life
- A weight latex impregnated paper provides highly flexible sheets and excellent grain adhesion, so paper can be bent, rolled or crumpled for desired use in flat or contour sanding
- P-graded Silicon Carbide grain breaks down and creates sharp points to cut well through hard surfaces and produce a consistent finish

APPLICATIONS

Lacquer, paint, primer, sealer, finishes between coats

100 Sheets per pack

ALUMINUM OXIDE

- Unlike most Aluminum Oxide sheets, this product is a full resin on resin bond, which provides extended life on vibrating sanders and excellent grain adhesion
- Durable C weight paper
- Excellent for both hand and mechanical sanding

APPLICATIONS

Wood, metal, paint, primer, plastic, fiberglass

SUNGOLD® PREMIUM PLUS PAPER SHEETS

NEW FOR 2004

- Our newest sheet that combines the best features of our white Silicon Carbide Non-Loading sheet and our brown Aluminum Oxide sheet
- Zinc stearated coating reduces clogging and loading of paper for extended sheet life
- C weight is durable, yet special additives in backing provide a highly flexible product and excellent grain adhesion
- Full resin on resin bond
- A premium P-graded Aluminum Oxide grain provides long life and a fast cut rate
- Fold ability makes this excellent for hand sanding
- Fast cut rate and long life makes this excellent for mechanical sanding
- Convenient package with hang tag allows product to be hung on a peg hook for display or storage

APPLICATIONS

Wood, solid surface materials, aluminum, metal, paint, primer, plastic, fiberglass, sealer, lacquer, between coats

SUNGOLD® SANDING ANGLES

ALUMINUM OXIDE – X WEIGHT CLOTH

- Designed to fit Ryobi Brand detail sanders
- Medium open coat is excellent for softwood, hardwood, plastic and metal
- Heavy duty, X weight, tear resistant 65/35 polyester/cotton cloth backing provides extra layer of protection for back-up pad
- Full resin on resin bond offers extended belt life
- P-graded Premium Aluminum Oxide grain creates fast cutting action
- Contoured shape provides superior sanding results in corners
- Release liner protects adhesive until you are ready to use individual angle
- Packed in a convenient and attractive clamshell package that can be displayed on peg hooks for easier locating in tool store or tool room
- Clamshell package can be opened and resealed to keep product clean and protected until ready to use

APPLICATIONS

Wood, metal, plastic, paint removal
Excellent for all types of materials

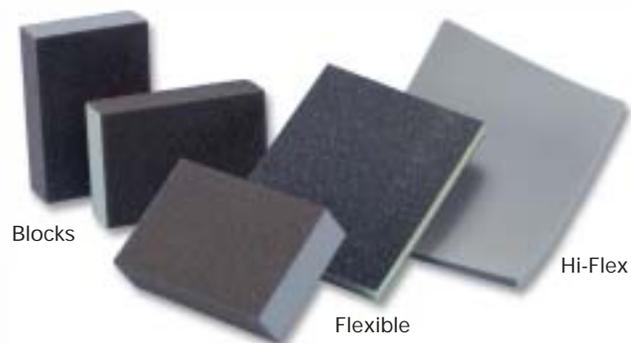

ORDERING INFORMATION

SUNGOLD® ROLLS WITH PSA BACKING

PREMIUM PLUS

- Zinc stearated coating reduces clogging and loading of paper which extends the life of the paper
- Strong and durable C weight paper backing will hold up under stress
- P-graded Aluminum Oxide cuts fast and lasts longer than Silicon Carbide
- Resin on resin bond holds up to heat of mechanical sanders to provide longer life than non-resin bond products

APPLICATIONS

Hand sanding, half sheet and quarter sheet mechanical sanding, wood, metal, plastic, fiberglass, sealer, primer and between coat sanding

Important Notice to Purchaser

Terms and Conditions of Sale; Product Selection Your placement with Sungold Abrasives of an order for products constitutes your acceptance of Sungold's offer of sale and your agreement to these terms and conditions of sale. These terms and conditions shall be governed by the laws of New York (without reference to choice of law principles) and may not be changed except by Sungold's express written agreement. Notwithstanding any oral or written information, opinions, catalog descriptions or advice furnished by Sungold or its employees at any time, you, the Buyer, have sole responsibility to evaluate and test Sungold's products so you can select those that are suitable for use in your specific applications.

Limited Warranty and Remedy If products shipped do not conform to your specifications, or if, after use by you, the original Buyer, the products prove to be defective, Sungold will, as the **exclusive remedy**, at Sungold's option, either replace the non-conforming or defective products or issue a credit at their net invoice price. This limited warranty **shall not apply** if (a) we do not receive written notice of the non-conformity or defect from you within **15 days** after you receive the products, (b) you do not return the non-conforming or defective products to us in their original packaging within **20 days** after you receive the products or (c) the products are custom-made for you or are other special products. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED AND STATUTORY, INCLUDING (WITHOUT LIMITATION) THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ANY WARRANTIES ARISING OUT OF COURSE OF DEALING, CUSTOM OR USAGE OF TRADE.

Limitation of Liability; Release Except to the extent of the Limited Warranty and Remedy above, Sungold is not and shall not be liable to you for any claims, liabilities or damages of any kind whatsoever (including without limitation direct, indirect, compensatory, special, consequential, incidental or punitive damages) arising out of Sungold's provision of products to you. *By purchasing products from Sungold, you expressly release Sungold from all such claims, liabilities and damages.*

Errors; Photo & Color Disclaimer Sungold reserves the right to correct any clerical or typographical errors in this Catalog at any time. Product photographs and color shown herein are rendered as accurately as printing processes permit. While we have made every attempt to accurately portray each product, Sungold disclaims any liability for variations in photographic accuracy or color as compared to the actual product.
